

Seniors

Senior is played by ladies aged over 18 years old. The season finishes with a medal presentation from Woy Woy Peninsula Netball Association and trophy presentation by Brisbane Water Netball Club at Ettalong Diggers.

This Season, games will commence on Saturday 6th March 2021.
Junior games are played between 12:15pm and 3pm, depending on age.

When determining what age group you should play in, the relevant date for calculating the age is 1 January. That means if your turning 18 sometime between 1 January and 31 December encompassing the current season, you will be eligible for the senior team.

Players cannot play in a lower age division but it is possible to play in a higher age division. The one exception to the playing up concession is for 9 year olds. The NSNA has determined that *only* children turning 10 or over in the calendar year may play Netball.

What Age Groups do we have?

Depending on registrations, we aim to field teams in the following age groups:

Senior

- 18 years plus

What are the player fees?

Juniors \$225

When and where are the games played?

In 2020, Senior games will be played on Saturday mornings beginning at 12:15pm to 3pm at Lemon Grove Netball Courts, Ettalong.

Games are not generally scheduled in the school holidays.

Uniform

The Club provides training shirts and all players are required to purchase uniforms.

We will hold uniform fitting days at our Registration Day on Sunday 16th Feb, at Ettalong Diggers. Uniform cost is \$70.00 for Junior. We will require a \$30.00 deposit at the time of ordering. Cash or card accepted.

How many players are in a team?

A team must have at least 7 and no more than 12 players in order to register. Eight or nine players is an ideal number to allow a good amount of game time while allowing for unavoidable absences.

Team Selection

The actual makeup of the teams cannot be finalised until registration with the Club is completed. As Brisbane Water Netball Club only fields a small number of netball teams, we have to be flexible as to how the teams are formed. Every effort will be made to give every registered player a chance to play. If after all attempts have been made to field a team this is not possible in a particular age group, we shall let you know promptly. .

For new members to the club, when registering you may nominate preferences as to how you might be teamed together with other players in the "comments" section, for example your preferred days for training or 1-2 friends you would like in your team. Please understand these are preferences and they may not be accommodated.

Player Selection to Age Groups - order of preference

Many teams have a limit on player numbers and sometimes there will be more players than places available in an age group. In these circumstances, players will be allocated to age groups based on certain criteria.

Your Team

After registrations have been finalised, the Games and Grading Convenor will determine the teams and you will be advised via email of your child's team.

Each team will be required to source their own manager and coach. The success of your team will depend on your ability to fill these roles.

The coach and Manager can be a parent or sibling or a friend. We have had a few parents who have coached very successfully without any previous netball experience. Senior teams train at Lemon Grove Courts. Training nights are Tuesday or Wednesday night, and in some cases teams also train before their game. Teams must discuss amongst themselves which training slots are the most suitable for the majority of the girls, although the coach's preference is usually the determining factor.

How are the Teams managed?

The manager role is usually taken by a parent and encompasses the following:

- Passing on communications to the team from BWNC
- Advising BWNC of team officials and training preferences
- Management of team kit and the match equipment (match ball, bibs, first aid kit) and ensuring all players are in the appropriate uniform
- Ensuring the team has an umpire for each game required (this is usually the coach)
- Ensuring the team collects the score sheet prior to the match and provides a scorer during the match, and that scoresheets are properly completed and returned at the end of the match
- Ensuring parents and players act within the [Code of Conduct](#) and the BWNC guidelines.
- Updating parents and players on wet weather cancellations for training and match days
- Ensuring children are adequately supervised during training

Volunteers

The Club is proud of the many people who volunteer to support our players in roles such as Manager, Coach, Umpire, and other support functions.

At the team level, we encourage you to note on your registration if you are interested in being a Coach, Manager or Referee.

Key dates and important information notifications

FRIDAY 7TH FEBRUARY 2020 TBC

St John the Baptist Registration Day (3pm - 4pm)

SATURDAY 14TH MARCH 2020

BWNC Meet and Greet
Lions Park, Woy Woy

SATURDAY 28TH MARCH 2020 - From 10am

ROUND 1 - Season Opening

THURSDAY 2ND APRIL 2020 (TBC)

Clip N Climb Fundraiser Night

Registrations

Registrations are now open, please visit our website www.bwnc.net.au and follow the links to Register

Any questions regarding your online registration please contact bwncpresident@gmail.com

Finally, we wish you a great season. Your child will really enjoy the fitness, camaraderie and team spirit which comes from playing Netball. Parents will enjoy meeting new families and sipping on a coffee which is available at the coffee cart at the courts! There is also a BBQ and Canteen.

Thank you

BWNC COMMITTEE
